| Manufacturer               | MedchemExpress                                                                                                                                                           |
| Category                   | Biochemikalien                                                                                                                                                           |
| Product Description        | Trihydroxycoprostan-3 $\alpha$ ,11 $\beta$ ,17 $\beta$ -triol-d7 is the deuterium labeled Trihydroxycoprostan-3 $\alpha$ ,11 $\beta$ ,17 $\beta$ -triol (HY-W740611).... |
| Molecular Weight           | 427.71                                                                                                                                                                   |
| Formula                    | C27H41D7O3                                                                                                                                                               |
| Target                     | Isotope-Labeled Compounds                                                                                                                                                |
| Application Notes          | MCE Product type: Isotope-Labeled Compounds                                                                                                                              |
