## Product Datasheet

### PE-Labeled Mouse H-2Kd&B2M Tetramer Protein (Peptide free), Human ABS-H2M-MP2H8-25UG

|                            |                                                                   |
|----------------------------|-------------------------------------------------------------------|
| Article Name               | PE-Labeled Mouse H-2Kd&B2M Tetramer Protein (Peptide free), Human |
| Biozol Catalog Number      | ABS-H2M-MP2H8-25UG                                                |
| Supplier Catalog Number    | H2M-MP2H8-25ug                                                    |
| Alternative Catalog Number | ABS-H2M-MP2H8-25UG                                                |
| Manufacturer               | AcroBiosystems                                                    |
| Host                       | Human                                                             |
| Category                   | Proteine/Peptide                                                  |
| Species Reactivity         | Mouse                                                             |
| Conjugation                | PE                                                                |
| Product Description        | Proteine/Peptide...                                               |
| Molecular Weight           | 40.0 kDa and 15.6 kDa                                             |
| Tag                        | C-10*His                                                          |
| NCBI                       | <a href="#">01902</a>                                             |
| Buffer                     | PBS, 1% BSA, pH7.4                                                |
| Form                       | Powder                                                            |
| Target                     | H-2Kd & B2M                                                       |
