| Product Description        | This gene encodes one of three natriuretic peptide receptors. Natriutetic peptides are small peptides which regulate blood volume and pressure, pulmonary hypertension, and cardiac function as well as some metabolic and growth processes. The product o... |
| Molecular Weight           | 77.1 kDa                                                                                                                                                                                                                                                      |
