## Product Datasheet

### TPO antibody [AC25], IgG1, Unconjugated, Mouse, Monoclonal GTX01955

|                            |                                                                                                                                                   |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | TPO antibody [AC25], IgG1, Unconjugated, Mouse, Monoclonal                                                                                        |
| Biozol Catalog Number      | GTX01955                                                                                                                                          |
| Supplier Catalog Number    | GTX01955                                                                                                                                          |
| Alternative Catalog Number | GTX01955-500                                                                                                                                      |
| Manufacturer               | GeneTex                                                                                                                                           |
| Host                       | Mouse                                                                                                                                             |
| Category                   | Antikörper                                                                                                                                        |
| Application                | IHC-P                                                                                                                                             |
| Species Reactivity         | Human                                                                                                                                             |
| Immunogen                  | Prokaryotic recombinant protein containing 105 amino acids corresponding to a portion of the N-terminus of the human thyroid peroxidase molecule. |
| Conjugation                | Unconjugated                                                                                                                                      |
| Clonality                  | Monoclonal                                                                                                                                        |
| Clone Designation          | [AC25]                                                                                                                                            |
| Isotype                    | IgG1                                                                                                                                              |
| NCBI                       | <a href="#">7173</a>                                                                                                                              |
| UniProt                    | <a href="#">P07202</a>                                                                                                                            |
| Buffer                     | Tissue culture supernatant, 0.09% Sodium azide.                                                                                                   |

|                   |                                                                                                                          |
|-------------------|--------------------------------------------------------------------------------------------------------------------------|
| Form              | Liquid                                                                                                                   |
| Application Notes | IHC-P: 1:80. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
