## Product Datasheet

### CD3 epsilon antibody [C3e/2858R], Unconjugated, Rabbit, Monoclonal GTX02604

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Article Name               | CD3 epsilon antibody [C3e/2858R], Unconjugated, Rabbit, Monoclonal         |
| Biozol Catalog Number      | GTX02604                                                                   |
| Supplier Catalog Number    | GTX02604                                                                   |
| Alternative Catalog Number | GTX02604-100                                                               |
| Manufacturer               | GeneTex                                                                    |
| Host                       | Rabbit                                                                     |
| Category                   | Antikörper                                                                 |
| Application                | IHC-P, WB                                                                  |
| Species Reactivity         | Human                                                                      |
| Immunogen                  | Recombinant human CD3e fragment (aa 23-119)                                |
| Conjugation                | Unconjugated                                                               |
| Clonality                  | Monoclonal                                                                 |
| Concentration              | 200 µg/ml (Please refer to the vial label for the specific concentration.) |
| Clone Designation          | [C3e/2858R]                                                                |
| Molecular Weight           | 23                                                                         |
| NCBI                       | <a href="#">916</a>                                                        |
| UniProt                    | <a href="#">P07766</a>                                                     |

|                   |                                                                                                                                              |
|-------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| Buffer            | PBS, 0.05% BSA, 0.05% Sodium azide.                                                                                                          |
| Form              | Liquid                                                                                                                                       |
| Application Notes | WB: 1-2 µg/ml. IHC-P: 1-2 µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
