## Product Datasheet

### Mesothelin antibody [YP158], Unconjugated, Rabbit, Monoclonal GTX03327

|                            |                                                                           |
|----------------------------|---------------------------------------------------------------------------|
| Article Name               | Mesothelin antibody [YP158], Unconjugated, Rabbit, Monoclonal             |
| Biozol Catalog Number      | GTX03327                                                                  |
| Supplier Catalog Number    | GTX03327                                                                  |
| Alternative Catalog Number | GTX03327-500                                                              |
| Manufacturer               | GeneTex                                                                   |
| Host                       | Rabbit                                                                    |
| Category                   | Antikörper                                                                |
| Application                | IHC-P                                                                     |
| Species Reactivity         | Human                                                                     |
| Immunogen                  | Synthetic peptide corresponding to c-terminus of human mesothelin protein |
| Conjugation                | Unconjugated                                                              |
| Clonality                  | Monoclonal                                                                |
| Clone Designation          | [YP158]                                                                   |
| NCBI                       | <a href="#">10232</a>                                                     |
| UniProt                    | <a href="#">Q13421</a>                                                    |
| Buffer                     | Tissue culture supernatant, 0.09% Sodium azide.                           |
| Form                       | Liquid                                                                    |

Application Notes

IHC-P: 1:10-1:15. \*Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications.
