| Article Name               | Goat anti-Mouse IgM (mu chain) antibody, pre-adsorbed (HRP), Polyclonal                                                        |
| Biozol Catalog Number      | GTX03389-01                                                                                                                    |
| Supplier Catalog Number    | GTX03389-01                                                                                                                    |
| Alternative Catalog Number | GTX03389-01-500                                                                                                                |
| Manufacturer               | GeneTex                                                                                                                        |
| Host                       | Goat                                                                                                                           |
| Category                   | Antikörper                                                                                                                     |
| Application                | ELISA, EM, FC, ICC, IHC-Fr, IHC-P, IP, WB                                                                                      |
| Species Reactivity         | Mouse                                                                                                                          |
| Immunogen                  | Pooled antisera from goats hyperimmunized with mouse IgM                                                                       |
| Conjugation                | HRP                                                                                                                            |
| Clonality                  | Polyclonal                                                                                                                     |
| Concentration              | Batch dependent (Please refer to the vial label for the specific concentration.)                                               |
| Sensitivity                | Preadsorbed with Mouse IgG and IgA, human immunoglobulins, and pooled sera. May react with immunoglobulins from other species. |
| NCBI                       | <a href="#">16019</a>                                                                                                          |
| Buffer                     | PBS, 50% Glycerol, no preservatives.                                                                                           |

|                   |                                                                                                                                   |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Form              | Liquid                                                                                                                            |
| Target            | IgM                                                                                                                               |
| Application Notes | ELISA: 1:4000-1:8000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
