| Manufacturer               | GeneTex                                                                                                                                                                                                             |
| Host                       | Goat                                                                                                                                                                                                                |
| Category                   | Antikörper                                                                                                                                                                                                          |
| Application                | ELISA, WB                                                                                                                                                                                                           |
| Species Reactivity         | Mouse                                                                                                                                                                                                               |
| Immunogen                  | Pooled antisera from goats hyperimmunized with mouse IgG2c                                                                                                                                                          |
| Conjugation                | HRP                                                                                                                                                                                                                 |
| Clonality                  | Polyclonal                                                                                                                                                                                                          |
| Concentration              | Batch dependent (Please refer to the vial label for the specific concentration.)                                                                                                                                    |
| Sensitivity                | Reacts with the heavy chain of C57BL/6 mouse IgG2c. Pre-adsorbed with Mouse IgG1, IgG2a, IgG2b, IgG3, IgM, and IgA, human, bovine, and horse serum proteins (SP). May react with immunoglobulins from other species |
| Buffer                     | PBS, 50% glycerol, no preservatives.                                                                                                                                                                                |

|                   |                                                                                                                                   |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Form              | Liquid                                                                                                                            |
| Target            | IgG2c (Heavy chain)                                                                                                               |
| Application Notes | ELISA: 1:4000-1:8000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
