## Product Datasheet

### Rat Anti-Mouse IgG2a antibody [SB84a] (Biotin), IgG1, Monoclonal GTX04227-02

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Article Name               | Rat Anti-Mouse IgG2a antibody [SB84a] (Biotin), IgG1, Monoclonal           |
| Biozol Catalog Number      | GTX04227-02                                                                |
| Supplier Catalog Number    | GTX04227-02                                                                |
| Alternative Catalog Number | GTX04227-02-500                                                            |
| Manufacturer               | GeneTex                                                                    |
| Host                       | Rat                                                                        |
| Category                   | Antikörper                                                                 |
| Application                | ELISA, FC, ICC, IHC-Fr, Multiplex Assay, WB                                |
| Species Reactivity         | Mouse                                                                      |
| Immunogen                  | Mouse IgG2a hybridoma                                                      |
| Conjugation                | Biotin                                                                     |
| Clonality                  | Monoclonal                                                                 |
| Concentration              | 0.5 mg/ml (Please refer to the vial label for the specific concentration.) |
| Clone Designation          | [SB84a]                                                                    |
| Isotype                    | IgG1                                                                       |
| Buffer                     | PBS, 0.09% sodium azide.                                                   |
| Form                       | Liquid                                                                     |
| Target                     | IgG2a                                                                      |

|                   |                                                                                                                                                        |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | FCM: 1 µg/106cells. ELISA: 1:5000-1:20000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
