| Manufacturer               | GeneTex                                                                                                                                                            |
| Host                       | Mouse                                                                                                                                                              |
| Category                   | Antikörper                                                                                                                                                         |
| Application                | IHC-P                                                                                                                                                              |
| Species Reactivity         | Human                                                                                                                                                              |
| Immunogen                  | Recombinant fragment (within aa 351-523) of human PAPP-A protein                                                                                                   |
| Conjugation                | Unconjugated                                                                                                                                                       |
| Product Description        | This antibody was validated on 76 different Normal Tissues by IHC-P.<br><a href="#">Go to Normal Tissue Gallery</a> <a href="#">Go to Cancer Tissue Gallery...</a> |
| Clonality                  | Monoclonal                                                                                                                                                         |
| Concentration              | 0.2 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                         |
| Clone Designation          | [MSVA-780M]                                                                                                                                                        |
| Isotype                    | IgG2b                                                                                                                                                              |

|                   |                                                                                                                                |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Sensitivity       | Highly recommended for IHC-P in human tissues.                                                                                 |
| NCBI              | <a href="#">5069</a>                                                                                                           |
| UniProt           | <a href="#">Q13219</a>                                                                                                         |
| Buffer            | PBS, 0.05% BSA (Please contact us for PBS only format), 0.05% sodium azide.                                                    |
| Form              | Liquid                                                                                                                         |
| Application Notes | IHC-P: 1:75-1:150. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
