## Product Datasheet

### MASPIN antibody, Unconjugated, Rabbit, Polyclonal GTX100471

|                            |                                                                                                                          |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Article Name               | MASPIN antibody, Unconjugated, Rabbit, Polyclonal                                                                        |
| Biozol Catalog Number      | GTX100471                                                                                                                |
| Supplier Catalog Number    | GTX100471                                                                                                                |
| Alternative Catalog Number | GTX100471-25, GTX100471-100                                                                                              |
| Manufacturer               | GeneTex                                                                                                                  |
| Host                       | Rabbit                                                                                                                   |
| Category                   | Antikörper                                                                                                               |
| Application                | IHC-P, WB                                                                                                                |
| Species Reactivity         | Human, Mouse                                                                                                             |
| Immunogen                  | Recombinant protein encompassing a sequence within the center region of human MASPIN. The exact sequence is proprietary. |
| Conjugation                | Unconjugated                                                                                                             |
| Clonality                  | Polyclonal                                                                                                               |
| Concentration              | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                 |
| Molecular Weight           | 42                                                                                                                       |
| NCBI                       | <a href="#">5268</a>                                                                                                     |
| UniProt                    | <a href="#">P36952</a>                                                                                                   |
| Buffer                     | 0.1M Tris, 0.1M Glycine, 10% Glycerol, 0.01% Thimerosal.                                                                 |
| Form                       | Liquid                                                                                                                   |

|                   |                                                                                                                                                    |
|-------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | WB: 1:500-1:3000. IHC-P: 1:100-1:1000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
