## Product Datasheet

### Cystatin S antibody [N1N3], Unconjugated, Rabbit, Polyclonal GTX100690

|                            |                                                                                                                                                           |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Cystatin S antibody [N1N3], Unconjugated, Rabbit, Polyclonal                                                                                              |
| Biozol Catalog Number      | GTX100690                                                                                                                                                 |
| Supplier Catalog Number    | GTX100690                                                                                                                                                 |
| Alternative Catalog Number | GTX100690-100, GTX100690-25                                                                                                                               |
| Manufacturer               | GeneTex                                                                                                                                                   |
| Host                       | Rabbit                                                                                                                                                    |
| Category                   | Antikörper                                                                                                                                                |
| Application                | ICC, IHC-P, WB                                                                                                                                            |
| Species Reactivity         | Human                                                                                                                                                     |
| Immunogen                  | Carrier-protein conjugated synthetic peptide encompassing a sequence within the N-terminus region of human Cystatin S. The exact sequence is proprietary. |
| Conjugation                | Unconjugated                                                                                                                                              |
| Clonality                  | Polyclonal                                                                                                                                                |
| Concentration              | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                  |
| Molecular Weight           | 16                                                                                                                                                        |
| NCBI                       | <a href="#">1472</a>                                                                                                                                      |
| UniProt                    | <a href="#">P01036</a>                                                                                                                                    |
| Buffer                     | 0.1M Tris, 0.1M Glycine, 10% Glycerol, 0.01% Thimerosal.                                                                                                  |

| Form              | Liquid                                                                                                                                                                      |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | WB: 1:500-1:3000. ICC/IF: 1:100-1:1000. IHC-P: 1:100-1:1000.<br>*Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
