## Product Datasheet

### Alpha 1 Microglobulin antibody, Unconjugated, Rabbit, Polyclonal GTX101068

|                            |                                                                                                                                         |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Alpha 1 Microglobulin antibody, Unconjugated, Rabbit, Polyclonal                                                                        |
| Biozol Catalog Number      | GTX101068                                                                                                                               |
| Supplier Catalog Number    | GTX101068                                                                                                                               |
| Alternative Catalog Number | GTX101068-25, GTX101068-100                                                                                                             |
| Manufacturer               | GeneTex                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                  |
| Category                   | Antikörper                                                                                                                              |
| Application                | ICC, IHC-P, WB                                                                                                                          |
| Species Reactivity         | Human, Mouse                                                                                                                            |
| Immunogen                  | Recombinant protein encompassing a sequence within the center region of human Alpha 1 Microglobulin. The exact sequence is proprietary. |
| Conjugation                | Unconjugated                                                                                                                            |
| Clonality                  | Polyclonal                                                                                                                              |
| Concentration              | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                                |
| Molecular Weight           | 39                                                                                                                                      |
| NCBI                       | <a href="#">259</a>                                                                                                                     |
| UniProt                    | <a href="#">P02760</a>                                                                                                                  |
| Buffer                     | 0.1M Tris, 0.1M Glycine, 20% Glycerol, 0.01% Thimerosal.                                                                                |

| Form              | Liquid                                                                                                                                                                        |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | WB: 1:500-1:100000. ICC/IF: 1:100-1:1000. IHC-P: 1:100-1:1000.<br>*Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
