## Product Datasheet

### NF-L antibody, Unconjugated, Rabbit, Polyclonal GTX101142

|                            |                                                                                                                        |
|----------------------------|------------------------------------------------------------------------------------------------------------------------|
| Article Name               | NF-L antibody, Unconjugated, Rabbit, Polyclonal                                                                        |
| Biozol Catalog Number      | GTX101142                                                                                                              |
| Supplier Catalog Number    | GTX101142                                                                                                              |
| Alternative Catalog Number | GTX101142-100, GTX101142-25                                                                                            |
| Manufacturer               | GeneTex                                                                                                                |
| Host                       | Rabbit                                                                                                                 |
| Category                   | Antikörper                                                                                                             |
| Application                | ELISA, ICC, IHC-Fr, IHC-P, WB                                                                                          |
| Species Reactivity         | Human, Mouse, Rat                                                                                                      |
| Immunogen                  | Recombinant protein encompassing a sequence within the center region of human NF-L. The exact sequence is proprietary. |
| Conjugation                | Unconjugated                                                                                                           |
| Clonality                  | Polyclonal                                                                                                             |
| Concentration              | 1.09 mg/ml (Please refer to the vial label for the specific concentration.)                                            |
| Molecular Weight           | 62                                                                                                                     |
| NCBI                       | <a href="#">4747</a>                                                                                                   |
| UniProt                    | <a href="#">P07196</a>                                                                                                 |
| Buffer                     | PBS, 20% Glycerol, 0.025% ProClin 300.                                                                                 |

| Form              | Liquid                                                                                                                                                                                          |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | WB: 1:500-1:20000. ICC/IF: 1:100-1:1000. IHC-P: 1:100-1:1000. IHC-Fr: 1:100-1:1000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
