## Product Datasheet

### COMT antibody, Unconjugated, Rabbit, Polyclonal GTX101233

|                            |                                                                                                                               |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | COMT antibody, Unconjugated, Rabbit, Polyclonal                                                                               |
| Biozol Catalog Number      | GTX101233                                                                                                                     |
| Supplier Catalog Number    | GTX101233                                                                                                                     |
| Alternative Catalog Number | GTX101233-25, GTX101233-100                                                                                                   |
| Manufacturer               | GeneTex                                                                                                                       |
| Host                       | Rabbit                                                                                                                        |
| Category                   | Antikörper                                                                                                                    |
| Application                | ELISA, IHC-P, WB                                                                                                              |
| Species Reactivity         | Human, Mouse                                                                                                                  |
| Immunogen                  | Recombinant protein encompassing a sequence within the Extracellular domain of human COMT. The exact sequence is proprietary. |
| Conjugation                | Unconjugated                                                                                                                  |
| Clonality                  | Polyclonal                                                                                                                    |
| Concentration              | 0.32 mg/ml (Please refer to the vial label for the specific concentration.)                                                   |
| Molecular Weight           | 30                                                                                                                            |
| NCBI                       | <a href="#">1312</a>                                                                                                          |
| UniProt                    | <a href="#">P21964</a>                                                                                                        |

|                   |                                                                                                                                                                              |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Buffer            | 0.1M Tris, 0.1M Glycine, 10% Glycerol, 0.01% Thimerosal.                                                                                                                     |
| Form              | Liquid                                                                                                                                                                       |
| Application Notes | WB: 1:500-1:3000. IHC-P: 1:100-1:1000. ELISA: 1:1000-1:10000.<br>*Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
