## Product Datasheet

### **Adenylate kinase 1 antibody [4A1], IgG1, Unconjugated, Mouse, Monoclonal GTX84936**

|                            |                                                                                          |
|----------------------------|------------------------------------------------------------------------------------------|
| Article Name               | Adenylate kinase 1 antibody [4A1], IgG1, Unconjugated, Mouse, Monoclonal                 |
| Biozol Catalog Number      | GTX84936                                                                                 |
| Supplier Catalog Number    | GTX84936                                                                                 |
| Alternative Catalog Number | GTX84936-100                                                                             |
| Manufacturer               | GeneTex                                                                                  |
| Host                       | Mouse                                                                                    |
| Category                   | Antikörper                                                                               |
| Application                | FC, ICC, WB                                                                              |
| Species Reactivity         | Human, Monkey                                                                            |
| Immunogen                  | Full length human recombinant protein of human AK1 (NP_000467) produced in HEK293T cell. |
| Conjugation                | Unconjugated                                                                             |
| Clonality                  | Monoclonal                                                                               |
| Concentration              | 0.89 mg/ml (Please refer to the vial label for the specific concentration.)              |
| Clone Designation          | [4A1]                                                                                    |
| Molecular Weight           | 22                                                                                       |
| Isotype                    | IgG1                                                                                     |

|                   |                                                                                                                                                           |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| NCBI              | <a href="#">203</a>                                                                                                                                       |
| UniProt           | <a href="#">P00568</a>                                                                                                                                    |
| Buffer            | PBS, 1% BSA, 50% Glycerol, 0.02% Sodium azide.                                                                                                            |
| Form              | Liquid                                                                                                                                                    |
| Application Notes | WB: 1:1000-1:2000. ICC/IF: 1:100. FCM: 1:100. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
