| Article Name               | Siglec11 antibody, Unconjugated, Rabbit, Polyclonal                                                                                                                                            |
| Biozol Catalog Number      | GTX85285                                                                                                                                                                                       |
| Supplier Catalog Number    | GTX85285                                                                                                                                                                                       |
| Alternative Catalog Number | GTX85285-100                                                                                                                                                                                   |
| Manufacturer               | GeneTex                                                                                                                                                                                        |
| Host                       | Rabbit                                                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                                                     |
| Application                | ELISA, IHC-P, WB                                                                                                                                                                               |
| Species Reactivity         | Human                                                                                                                                                                                          |
| Immunogen                  | Siglec11 antibody was raised against an 18 amino acid synthetic peptide from near the carboxy terminus of human Siglec11. The immunogen is located within the last 50 amino acids of Siglec11. |
| Conjugation                | Unconjugated                                                                                                                                                                                   |
| Clonality                  | Polyclonal                                                                                                                                                                                     |
| Concentration              | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                                                       |
| Molecular Weight           | 76                                                                                                                                                                                             |
| NCBI                       | <a href="#">114132</a>                                                                                                                                                                         |
| UniProt                    | <a href="#">Q96RL6</a>                                                                                                                                                                         |
| Buffer                     | PBS, 0.02% Sodium azide.                                                                                                                                                                       |

| Form              | Liquid                                                                                                                                   |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | WB: 1 µg/mL. IHC-P: 5 µg/mL. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
