| Article Name               | Spred1 antibody, Unconjugated, Rabbit, Polyclonal                                                                                                                          |
| Biozol Catalog Number      | GTX85376                                                                                                                                                                   |
| Supplier Catalog Number    | GTX85376                                                                                                                                                                   |
| Alternative Catalog Number | GTX85376-100                                                                                                                                                               |
| Manufacturer               | GeneTex                                                                                                                                                                    |
| Host                       | Rabbit                                                                                                                                                                     |
| Category                   | Antikörper                                                                                                                                                                 |
| Application                | ELISA, IHC-P, WB                                                                                                                                                           |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                          |
| Immunogen                  | Spred1 antibody was raised against a 14 amino acid synthetic peptide near the center of the human Spred1. The immunogen is located within amino acids 250 - 300 of Spred1. |
| Conjugation                | Unconjugated                                                                                                                                                               |
| Clonality                  | Polyclonal                                                                                                                                                                 |
| Concentration              | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                                   |
| Molecular Weight           | 50                                                                                                                                                                         |
| Sensitivity                | This Spred1 antibody is predicted to have no cross-reactivity to Spred2 or Spred3.                                                                                         |
| NCBI                       | <a href="#">161742</a>                                                                                                                                                     |

|                   |                                                                                                                                                |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt           | <a href="#">Q7Z699</a>                                                                                                                         |
| Buffer            | PBS, 0.02% Sodium azide.                                                                                                                       |
| Form              | Liquid                                                                                                                                         |
| Application Notes | WB: 1 - 2 µg/mL. IHC-P: 2.5 µg/mL. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
