| Article Name               | Slitrk5 antibody, Unconjugated, Rabbit, Polyclonal                                                                                                                             |
| Biozol Catalog Number      | GTX85414                                                                                                                                                                       |
| Supplier Catalog Number    | GTX85414                                                                                                                                                                       |
| Alternative Catalog Number | GTX85414-100                                                                                                                                                                   |
| Manufacturer               | GeneTex                                                                                                                                                                        |
| Host                       | Rabbit                                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                                     |
| Application                | ELISA, IHC-P, WB                                                                                                                                                               |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                              |
| Immunogen                  | Slitrk5 antibody was raised against a 14 amino acid synthetic peptide from near the center of human Slitrk5. The immunogen is located within amino acids 310 - 360 of Slitrk5. |
| Conjugation                | Unconjugated                                                                                                                                                                   |
| Clonality                  | Polyclonal                                                                                                                                                                     |
| Concentration              | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                                       |
| Molecular Weight           | 107                                                                                                                                                                            |
| Sensitivity                | This antibody is predicted to have no cross-reactivity to other Slitrk proteins.                                                                                               |
| NCBI                       | <a href="#">26050</a>                                                                                                                                                          |

|                   |                                                                                                                                                  |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt           | <a href="#">O94991</a>                                                                                                                           |
| Buffer            | PBS, 0.02% Sodium azide.                                                                                                                         |
| Form              | Liquid                                                                                                                                           |
| Application Notes | WB: 0.5 - 1 µg/mL. IHC-P: 2.5 µg/mL. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
