## Product Datasheet

### Girdin antibody, Unconjugated, Rabbit, Polyclonal GTX87941

|                            |                                                                                               |
|----------------------------|-----------------------------------------------------------------------------------------------|
| Article Name               | Girdin antibody, Unconjugated, Rabbit, Polyclonal                                             |
| Biozol Catalog Number      | GTX87941                                                                                      |
| Supplier Catalog Number    | GTX87941                                                                                      |
| Alternative Catalog Number | GTX87941-100                                                                                  |
| Manufacturer               | GeneTex                                                                                       |
| Host                       | Rabbit                                                                                        |
| Category                   | Antikörper                                                                                    |
| Application                | IHC-P                                                                                         |
| Species Reactivity         | Human                                                                                         |
| Immunogen                  | The antiserum was produced against synthesized peptide derived from human Girdin (1383-1432). |
| Conjugation                | Unconjugated                                                                                  |
| Clonality                  | Polyclonal                                                                                    |
| Concentration              | Batch dependent (Please refer to the vial label for the specific concentration.)              |
| NCBI                       | <a href="#">55704</a>                                                                         |
| UniProt                    | <a href="#">Q3V6T2</a>                                                                        |
| Buffer                     | PBS, 150mM NaCl, 50% Glycerol, 0.02% Sodium azide.                                            |
| Form                       | Liquid                                                                                        |

Application Notes

IHC-P: 1:50~1:100. \*Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications.
