## Product Datasheet

### HMGCR antibody, Internal, Unconjugated, Goat, Polyclonal GTX88456

|                            |                                                                                                                     |
|----------------------------|---------------------------------------------------------------------------------------------------------------------|
| Article Name               | HMGCR antibody, Internal, Unconjugated, Goat, Polyclonal                                                            |
| Biozol Catalog Number      | GTX88456                                                                                                            |
| Supplier Catalog Number    | GTX88456                                                                                                            |
| Alternative Catalog Number | GTX88456-100                                                                                                        |
| Manufacturer               | GeneTex                                                                                                             |
| Host                       | Goat                                                                                                                |
| Category                   | Antikörper                                                                                                          |
| Application                | WB                                                                                                                  |
| Species Reactivity         | Human, Mouse                                                                                                        |
| Immunogen                  | Peptide with sequence C-ADPSPQNSTADTSK , from the internal region of the protein sequence according to NP_000850.1. |
| Conjugation                | Unconjugated                                                                                                        |
| Clonality                  | Polyclonal                                                                                                          |
| Concentration              | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                         |
| Molecular Weight           | 97                                                                                                                  |
| NCBI                       | <a href="#">3156</a>                                                                                                |
| UniProt                    | <a href="#">P04035</a>                                                                                              |
| Buffer                     | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                                  |
