## Product Datasheet

### **Ramp1 (C-Term., mouse) antibody, C-term, Unconjugated, Goat, Polyclonal GTX88679**

|                            |                                                                                                                         |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Ramp1 (C-Term., mouse) antibody, C-term, Unconjugated, Goat, Polyclonal                                                 |
| Biozol Catalog Number      | GTX88679                                                                                                                |
| Supplier Catalog Number    | GTX88679                                                                                                                |
| Alternative Catalog Number | GTX88679-100                                                                                                            |
| Manufacturer               | GeneTex                                                                                                                 |
| Host                       | Goat                                                                                                                    |
| Category                   | Antikörper                                                                                                              |
| Application                | WB                                                                                                                      |
| Species Reactivity         | Rat                                                                                                                     |
| Immunogen                  | Peptide with sequence C-DYQSKRTEGIV, from the C Terminus of the protein sequence according to NP_058590.1, NP_848488.2. |
| Conjugation                | Unconjugated                                                                                                            |
| Clonality                  | Polyclonal                                                                                                              |
| Concentration              | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                             |
| Molecular Weight           | 17                                                                                                                      |
| Sensitivity                | This antibody is expected to recognize isoform 1 (NP_058590.1) only.                                                    |
| NCBI                       | <a href="#">10267</a>                                                                                                   |

|                   |                                                                                                                             |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Buffer            | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                                          |
| Form              | Liquid                                                                                                                      |
| Application Notes | WB: 0.3-1µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
