## Product Datasheet

### FAM62A antibody, Internal, Unconjugated, Goat, Polyclonal GTX88786

|                            |                                                                                                                  |
|----------------------------|------------------------------------------------------------------------------------------------------------------|
| Article Name               | FAM62A antibody, Internal, Unconjugated, Goat, Polyclonal                                                        |
| Biozol Catalog Number      | GTX88786                                                                                                         |
| Supplier Catalog Number    | GTX88786                                                                                                         |
| Alternative Catalog Number | GTX88786-100                                                                                                     |
| Manufacturer               | GeneTex                                                                                                          |
| Host                       | Goat                                                                                                             |
| Category                   | Antikörper                                                                                                       |
| Application                | IHC-P, WB                                                                                                        |
| Species Reactivity         | Human                                                                                                            |
| Immunogen                  | Peptide with sequence C-QKKRTLSPFNER, from the internal region of the protein sequence according to NP_056107.1. |
| Conjugation                | Unconjugated                                                                                                     |
| Clonality                  | Polyclonal                                                                                                       |
| Concentration              | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                      |
| Molecular Weight           | 123                                                                                                              |
| NCBI                       | <a href="#">23344</a>                                                                                            |
| UniProt                    | <a href="#">Q9BSJ8</a>                                                                                           |
| Buffer                     | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                               |

| Form              | Liquid                                                                                                                                      |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | WB: 1-3µg/ml. IHC-P: 3.75µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
