## Product Datasheet

### **GAPDH antibody, Internal, Unconjugated, Goat, Polyclonal GTX89409**

|                            |                                                                                                                                  |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | GAPDH antibody, Internal, Unconjugated, Goat, Polyclonal                                                                         |
| Biozol Catalog Number      | GTX89409                                                                                                                         |
| Supplier Catalog Number    | GTX89409                                                                                                                         |
| Alternative Catalog Number | GTX89409-100                                                                                                                     |
| Manufacturer               | GeneTex                                                                                                                          |
| Host                       | Goat                                                                                                                             |
| Category                   | Antikörper                                                                                                                       |
| Application                | ICC, IHC-P, WB                                                                                                                   |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                |
| Immunogen                  | Peptide with sequence C-GVNHEKYDNSLK, from the internal region of the protein sequence according to NP_002037.2, NP_001243728.1. |
| Conjugation                | Unconjugated                                                                                                                     |
| Clonality                  | Polyclonal                                                                                                                       |
| Concentration              | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                                      |
| Molecular Weight           | 36                                                                                                                               |
| Sensitivity                | This antibody is expected to recognize both reported isoforms (NP_002037.2, NP_001243728.1).                                     |
| NCBI                       | <a href="#">2597</a>                                                                                                             |

|                   |                                                                                                                                                               |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt           | <a href="#">P04406</a>                                                                                                                                        |
| Buffer            | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                                                                            |
| Form              | Liquid                                                                                                                                                        |
| Application Notes | WB: 0.03-0.1µg/ml. ICC/IF: 5µg/ml. IHC-P: 2µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
