| Immunogen                  | Arg24-Thr262                                                                                                                                                                                                                                             |
| Product Description        | Recombinant Mouse Siglec-15/CD33L3 Protein is produced by HEK293 cells expression system. The target protein is expressed with sequence (Arg24-Thr262) of mouse Siglec-15/CD33L3 (Accession NP_001094508.1) fused with a 6*His tag at the C-terminus.... |
| Concentration              | < 1 EU/μg of the protein by LAL method.                                                                                                                                                                                                                  |
| Molecular Weight           | 26.47 kDa                                                                                                                                                                                                                                                |
| Tag                        | C-His                                                                                                                                                                                                                                                    |
| NCBI                       | <a href="#">620235</a>                                                                                                                                                                                                                                   |

|--------------------|--------------------------------------------------------------|
| Purity             | 90 % as determined by SDS-PAGE.                              |
| Form               | Lyophilized from a 0.22 µm filtered solution of PBS, pH 7.4. |
| Target             | Siglec-15/CD33L3                                             |
| Application Dilute | Lyophilized from a 0.22 µm filtered solution of PBS, pH 7.4. |
| Application Notes  | ResearchArea: Bio-Markers & CD Antigens. Shipping: Ice Bag   |
