### CLIA Kit for Albumin (ALB) USC-CCB028MU

|                            |                                                                         |
|----------------------------|-------------------------------------------------------------------------|
| Article Name               | CLIA Kit for Albumin (ALB)                                              |
| Biozol Catalog Number      | USC-CCB028MU                                                            |
| Supplier Catalog Number    | CCB028Mu                                                                |
| Alternative Catalog Number | USC-CCB028MU-48, USC-CCB028MU-96                                        |
| Manufacturer               | Cloud-Clone                                                             |
| Category                   | Kits/Assays                                                             |
| Species Reactivity         | Mouse                                                                   |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                     |
| Range                      | 391-100,000ng/mL                                                        |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 141ng/mL |
| Samples                    | serum, plasma and other biological fluids                               |
| Application Notes          | Chemiluminescent immunoassay for Antigen Detection.                     |
