## Product Datasheet

### ELISA Kit for Somatostatin (SST) USC-CEA592MU

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Somatostatin (SST)                                         |
| Biozol Catalog Number      | USC-CEA592MU                                                             |
| Supplier Catalog Number    | CEA592Mu                                                                 |
| Alternative Catalog Number | USC-CEA592MU-48, USC-CEA592MU-96                                         |
| Manufacturer               | Cloud-Clone                                                              |
| Category                   | Kits/Assays                                                              |
| Species Reactivity         | Mouse                                                                    |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                      |
| Range                      | 6.17-500pg/mL                                                            |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 2.77pg/mL |
| UniProt                    | <a href="#">P60041</a>                                                   |
| Samples                    | serum, plasma and other biological fluids                                |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                 |
