## Product Datasheet

### ELISA Kit for Taurine (Tau) USC-CEV538GE

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Taurine (Tau)                                              |
| Biozol Catalog Number      | USC-CEV538GE                                                             |
| Supplier Catalog Number    | CEV538Ge                                                                 |
| Alternative Catalog Number | USC-CEV538GE-48, USC-CEV538GE-96                                         |
| Manufacturer               | Cloud-Clone                                                              |
| Category                   | Kits/Assays                                                              |
| Species Reactivity         | All                                                                      |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                      |
| Range                      | 12.35-1,000ng/mL                                                         |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 4.39ng/mL |
| Samples                    | serum, plasma and other biological fluids                                |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                 |
