## Product Datasheet

### ELISA Kit for Cluster Of Differentiation 147 (CD147) USC-SEB540RA

|                            |                                                                         |
|----------------------------|-------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Cluster Of Differentiation 147 (CD147)                    |
| Biozol Catalog Number      | USC-SEB540RA                                                            |
| Supplier Catalog Number    | SEB540Ra                                                                |
| Alternative Catalog Number | USC-SEB540RA-48, USC-SEB540RA-96                                        |
| Manufacturer               | Cloud-Clone                                                             |
| Category                   | Kits/Assays                                                             |
| Species Reactivity         | Rat                                                                     |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                     |
| Range                      | 15.62-1000pg/mL                                                         |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 5.5pg/mL |
| UniProt                    | <a href="#">P26453</a>                                                  |
| Samples                    | Serum, plasma, lung lavage fluid and other biological fluids.           |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                |
