## Product Datasheet

### ELISA Kit for Actin Alpha 1, Skeletal Muscle (ACTa1) USC-SEB634MI

|                            |                                                                                       |
|----------------------------|---------------------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Actin Alpha 1, Skeletal Muscle (ACTa1)                                  |
| Biozol Catalog Number      | USC-SEB634MI                                                                          |
| Supplier Catalog Number    | SEB634Mi                                                                              |
| Alternative Catalog Number | USC-SEB634MI-48, USC-SEB634MI-96                                                      |
| Manufacturer               | Cloud-Clone                                                                           |
| Category                   | Kits/Assays                                                                           |
| Species Reactivity         | Human, Mouse, Rat                                                                     |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                   |
| Range                      | 1.56-100ng/mL                                                                         |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.59ng/mL              |
| UniProt                    | <a href="#">P60709</a>                                                                |
| Samples                    | Tissue homogenates, cell lysates, cell culture supernates and other biological fluids |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                              |
