## Product Datasheet

### ELISA Kit for Collagen Type V Alpha 2 (COL5a2) USC-SEC152HU

|                            |                                                                           |
|----------------------------|---------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Collagen Type V Alpha 2 (COL5a2)                            |
| Biozol Catalog Number      | USC-SEC152HU                                                              |
| Supplier Catalog Number    | SEC152Hu                                                                  |
| Alternative Catalog Number | USC-SEC152HU-48, USC-SEC152HU-96                                          |
| Manufacturer               | Cloud-Clone                                                               |
| Category                   | Kits/Assays                                                               |
| Species Reactivity         | Human                                                                     |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                       |
| Range                      | 0.312-20ng/mL                                                             |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.122ng/mL |
| UniProt                    | <a href="#">P05997</a>                                                    |
| Samples                    | serum, plasma, tissue homogenates and other biological fluids             |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                  |
