## Product Datasheet

### ELISA Kit for Activating Transcription Factor 3 (ATF3) USC-SEC303HU

|                            |                                                                           |
|----------------------------|---------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Activating Transcription Factor 3 (ATF3)                    |
| Biozol Catalog Number      | USC-SEC303HU                                                              |
| Supplier Catalog Number    | SEC303Hu                                                                  |
| Alternative Catalog Number | USC-SEC303HU-48, USC-SEC303HU-96                                          |
| Manufacturer               | Cloud-Clone                                                               |
| Category                   | Kits/Assays                                                               |
| Species Reactivity         | Human                                                                     |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                       |
| Range                      | 0.156-10ng/mL                                                             |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.060ng/mL |
| UniProt                    | <a href="#">P18847</a>                                                    |
| Samples                    | tissue homogenates, cell lysates and other biological fluids              |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                  |
