## Product Datasheet

### ELISA Kit for Cyclin Dependent Kinase 16 (CDK16) USC-SEE620HU

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Cyclin Dependent Kinase 16 (CDK16)                         |
| Biozol Catalog Number      | USC-SEE620HU                                                             |
| Supplier Catalog Number    | SEE620Hu                                                                 |
| Alternative Catalog Number | USC-SEE620HU-48, USC-SEE620HU-96                                         |
| Manufacturer               | Cloud-Clone                                                              |
| Category                   | Kits/Assays                                                              |
| Species Reactivity         | Human                                                                    |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                      |
| Range                      | 31.25-2000pg/mL                                                          |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 12.6pg/mL |
| UniProt                    | <a href="#">Q00536</a>                                                   |
| Samples                    | Tissue homogenates, cell lysates and other biological fluids.            |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                 |
