## Product Datasheet

### ELISA Kit for Chymase 1, Mast Cell (CMA1) USC-SEG515MU

|                            |                                                                         |
|----------------------------|-------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Chymase 1, Mast Cell (CMA1)                               |
| Biozol Catalog Number      | USC-SEG515MU                                                            |
| Supplier Catalog Number    | SEG515Mu                                                                |
| Alternative Catalog Number | USC-SEG515MU-48, USC-SEG515MU-96                                        |
| Manufacturer               | Cloud-Clone                                                             |
| Category                   | Kits/Assays                                                             |
| Species Reactivity         | Mouse                                                                   |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                     |
| Range                      | 12.5-800pg/mL                                                           |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 5.2pg/mL |
| UniProt                    | <a href="#">P21844</a>                                                  |
| Samples                    | serum, plasma and other biological fluids                               |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                |
