## Product Datasheet

### **ELISA Kit for Echinoderm Microtubule Associated Protein Like Protein 2 (EML2) USC-SEQ641HU**

|                            |                                                                               |
|----------------------------|-------------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Echinoderm Microtubule Associated Protein Like Protein 2 (EML2) |
| Biozol Catalog Number      | USC-SEQ641HU                                                                  |
| Supplier Catalog Number    | SEQ641Hu                                                                      |
| Alternative Catalog Number | USC-SEQ641HU-48, USC-SEQ641HU-96                                              |
| Manufacturer               | Cloud-Clone                                                                   |
| Category                   | Kits/Assays                                                                   |
| Species Reactivity         | Human                                                                         |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                           |
| Range                      | 0.312-20ng/mL                                                                 |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.113ng/mL     |
| UniProt                    | <a href="#">O95834</a>                                                        |
| Samples                    | Tissue homogenates and other biological fluids.                               |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                      |
