| Article Name               | Active Factor Related Apoptosis Ligand (FASL)                                                                      |
| Biozol Catalog Number      | USC-APA031MU62                                                                                                     |
| Supplier Catalog Number    | APA031Mu62                                                                                                         |
| Alternative Catalog Number | USC-APA031MU62-10, USC-APA031MU62-50, USC-APA031MU62-100, USC-APA031MU62-200, USC-APA031MU62-500, USC-APA031MU62-1 |
| Manufacturer               | Cloud-Clone                                                                                                        |
| Category                   | Proteine/Peptide                                                                                                   |
| Application                | Activity Assay, Cell Culture                                                                                       |
| Species Reactivity         | Mouse                                                                                                              |
| Molecular Weight           | Predicted Molecular Mass(KD): 18.5kDa. Accurate Molecular Mass(KD): 22-33kDa                                       |
| UniProt                    | <a href="#">Q544E9</a>                                                                                             |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                            |
| Purity                     | > 80%                                                                                                              |
| Form                       | Freeze-dried powder                                                                                                |
