| Article Name               | Active Granzyme B (GZMB), E. coli                                                                                  |
| Biozol Catalog Number      | USC-APA600PO01                                                                                                     |
| Supplier Catalog Number    | APA600Po01                                                                                                         |
| Alternative Catalog Number | USC-APA600PO01-10, USC-APA600PO01-50, USC-APA600PO01-100, USC-APA600PO01-200, USC-APA600PO01-500, USC-APA600PO01-1 |
| Manufacturer               | Cloud-Clone                                                                                                        |
| Host                       | E. coli                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                   |
| Application                | Activity Assay, Cell Culture                                                                                       |
| Species Reactivity         | Porcine                                                                                                            |
| Molecular Weight           | Predicted Molecular Mass(KD): 29.2kDa. Accurate Molecular Mass(KD): 29kDa                                          |
| UniProt                    | <a href="#">F1MTF4</a>                                                                                             |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                            |
| Purity                     | > 90%                                                                                                              |
| Form                       | Freeze-dried powder                                                                                                |
