## Product Datasheet

### Active Chemokine C-X-C-Motif Ligand 16 (CXCL16) USC-APA771MU61

|                            |                                                                                                                    |
|----------------------------|--------------------------------------------------------------------------------------------------------------------|
| Article Name               | Active Chemokine C-X-C-Motif Ligand 16 (CXCL16)                                                                    |
| Biozol Catalog Number      | USC-APA771MU61                                                                                                     |
| Supplier Catalog Number    | APA771Mu61                                                                                                         |
| Alternative Catalog Number | USC-APA771MU61-10, USC-APA771MU61-50, USC-APA771MU61-100, USC-APA771MU61-200, USC-APA771MU61-500, USC-APA771MU61-1 |
| Manufacturer               | Cloud-Clone                                                                                                        |
| Category                   | Proteine/Peptide                                                                                                   |
| Application                | Activity Assay, Cell Culture                                                                                       |
| Species Reactivity         | Mouse                                                                                                              |
| Molecular Weight           | Predicted Molecular Mass(KD): 24.7kDa. Accurate Molecular Mass(KD): 27-33kDa                                       |
| UniProt                    | <a href="#">Q8BSU2</a>                                                                                             |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                            |
| Purity                     | > 90%                                                                                                              |
| Form                       | Freeze-dried powder                                                                                                |
