| Article Name               | Active Thymosin Beta 4 (TMSB4X), E. coli                                                                           |
| Biozol Catalog Number      | USC-APB609HU03                                                                                                     |
| Supplier Catalog Number    | APB609Hu03                                                                                                         |
| Alternative Catalog Number | USC-APB609HU03-10, USC-APB609HU03-50, USC-APB609HU03-100, USC-APB609HU03-200, USC-APB609HU03-500, USC-APB609HU03-1 |
| Manufacturer               | Cloud-Clone                                                                                                        |
| Host                       | E. coli                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                   |
| Application                | Activity Assay, Cell Culture                                                                                       |
| Species Reactivity         | Human                                                                                                              |
| Molecular Weight           | Predicted Molecular Mass(KD): 35.1kDa. Accurate Molecular Mass(KD): 36kDa                                          |
| UniProt                    | <a href="#">P62328</a>                                                                                             |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                            |
| Purity                     | > 90%                                                                                                              |
| Form                       | Freeze-dried powder                                                                                                |
