| Category                   | Antikörper                                                                                                                                                                                |
| Application                | WB                                                                                                                                                                                        |
| Species Reactivity         | Human                                                                                                                                                                                     |
| Conjugation                | PerCP/Cy5.5                                                                                                                                                                               |
| Product Description        | Potential tumor suppressor. Acts as a KRAS-specific effector protein. May promote apoptosis and cell cycle arrest. Stabilizes STK3/MST2 by protecting it from proteasomal degradation.... |
| Clonality                  | Recombinant                                                                                                                                                                               |
| Concentration              | Lot dependent                                                                                                                                                                             |
| NCBI                       | <a href="#">9770</a>                                                                                                                                                                      |
| UniProt                    | <a href="#">P50749</a>                                                                                                                                                                    |

|                    |                                                                                                        |
|--------------------|--------------------------------------------------------------------------------------------------------|
| Buffer             | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source             | KLH conjugated synthetic peptide derived from human RASSF2                                             |
| Target             | RASSF2                                                                                                 |
| Application Dilute | WB(1:300-5000)                                                                                         |
