| Article Name               | Zebrafish Map1lc3a Antibody, Rabbit, Polyclonal                                                                                                       |
| Biozol Catalog Number      | NSJ-F53023-0.08ML                                                                                                                                     |
| Supplier Catalog Number    | F53023-0.08ML                                                                                                                                         |
| Alternative Catalog Number | NSJ-F53023-0.08ML                                                                                                                                     |
| Manufacturer               | NSJ Bioreagents                                                                                                                                       |
| Host                       | Rabbit                                                                                                                                                |
| Category                   | Antikörper                                                                                                                                            |
| Application                | ELISA, WB                                                                                                                                             |
| Species Reactivity         | Human, Zebrafish                                                                                                                                      |
| Immunogen                  | This Map1lc3a antibody was produced from a rabbit immunized with a KLH conjugated synthetic peptide between 91-123 amino acids of zebrafish Map1lc3a. |
| Product Description        | Microtubule-associated protein 1 light chain 3 alpha...                                                                                               |
| Clonality                  | Polyclonal                                                                                                                                            |
| UniProt                    | <a href="#">Q6NX90</a>                                                                                                                                |
| Purity                     | Antigen affinity                                                                                                                                      |
| Form                       | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                                                            |
| Antibody Type              | Primary Antibody                                                                                                                                      |
| Application Dilute         | Western blot: 1:1000                                                                                                                                  |

#### Application Notes

Titration of the Map1lc3a antibody may be required due to differences in protocols and secondary/substrate sensitivity.
