| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | ELISA, IHC-P, WB                                                                                                                                                                                                                                              |
| Species Reactivity         | Human, Mouse                                                                                                                                                                                                                                                  |
| Immunogen                  | This ABL2 antibody was produced from a mouse immunized with a recombinant protein.                                                                                                                                                                            |
| Product Description        | Abelson tyrosine-protein kinase 2 is a non-receptor tyrosine-protein kinase that plays an ABL1- overlapping role in key processes linked to cell growth and survival such as cytoskeleton remodeling in response to extracellular stimuli, cell motility a... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [1442CT175.30.33]                                                                                                                                                                                                                                             |
| UniProt                    | <a href="#">P42684</a>                                                                                                                                                                                                                                        |
| Purity                     | Purified                                                                                                                                                                                                                                                      |
| Form                       | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                                                                                                                                                                    |

|                    |                                                                                                                     |
|--------------------|---------------------------------------------------------------------------------------------------------------------|
| Antibody Type      | Primary Antibody                                                                                                    |
| Application Dilute | Western blot: 1:500-2000,IHC (FFPE): 1:25                                                                           |
| Application Notes  | Titration of the ABL2 antibody may be required due to differences in protocols and secondary/substrate sensitivity. |
