| Manufacturer               | NSJ Bioreagents                                                                                                                                                                                                                                               |
| Host                       | Rabbit                                                                                                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | IHC-P                                                                                                                                                                                                                                                         |
| Species Reactivity         | Human                                                                                                                                                                                                                                                         |
| Immunogen                  | Recombinant full-length human IGL protein was used as the immunogen for the recombinant Lambda Light Chain antibody.                                                                                                                                          |
| Product Description        | This MAb is specific to lambda light chain of immunoglobulin and shows no cross-reaction with lambda light chain or any of the five heavy chains. In mammals, the two light chains in an antibody are always identical, with only one type of light chain,... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [LLC/3774R]                                                                                                                                                                                                                                                   |
| UniProt                    | <a href="#">P01701</a>                                                                                                                                                                                                                                        |
| Purity                     | Protein A/G affinity                                                                                                                                                                                                                                          |

|                    |                                                                                                         |
|--------------------|---------------------------------------------------------------------------------------------------------|
| Form               | 1 mg/ml in 1X PBS, BSA free, sodium azide free                                                          |
| Antibody Type      | Primary Antibody                                                                                        |
| Application Dilute | Immunohistochemistry (FFPE): 1-2ug/ml                                                                   |
| Application Notes  | Optimal dilution of the recombinant Lambda Light Chain antibody should be determined by the researcher. |
