| Category                   | Antikörper                                                                                                                                                                                                                                                  |
| Application                | ICC, IHC                                                                                                                                                                                                                                                    |
| Species Reactivity         | Human, Mouse                                                                                                                                                                                                                                                |
| Immunogen                  | Fusion protein amino acids 861-912 of rat GABABR2 (accession number NP_113990) produced recombinantly in E. Coli                                                                                                                                            |
| Conjugation                | FL550                                                                                                                                                                                                                                                       |
| Product Description        | Our Anti-GABA(B)R2 mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone N81/2. It is KO validated, detects human and mouse GABA(B)R2, and is purified by Protein A chromatography. It is great for use in IHC, ICC.... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                  |
| Concentration              | 0.5 mg/mL                                                                                                                                                                                                                                                   |
| Clone Designation          | [N81/2]                                                                                                                                                                                                                                                     |

|                   |                                              |
|-------------------|----------------------------------------------|
| Molecular Weight  | 105 kDa                                      |
| Isotype           | IgG1                                         |
| UniProt           | <a href="#">O75899</a>                       |
| Buffer            | PBS with 0.09% azide                         |
| Target            | GABA(B)R2                                    |
| Antibody Type     | Primary Antibody                             |
| Application Notes | Format: Purified by Protein A chromatography |
