| Immunogen                  | Synthetic peptide amino acids 347-363 (LDGPLSSRGKLVLFQY, C-terminus) of mouse Lhx6.1A (accession number Q9R1R0)                                                                                                                                               |
| Conjugation                | FL594                                                                                                                                                                                                                                                         |
| Product Description        | Our Anti-Lhx6.1 mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone N228A/16. It detects drosophila, guinea pig, human, mouse, polar bear, and rat Lhx6.1, and is purified by Protein A chromatography. It is great ... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Concentration              | 0.5 mg/mL                                                                                                                                                                                                                                                     |
| Clone Designation          | [N228A/16]                                                                                                                                                                                                                                                    |

|                   |                                              |
|-------------------|----------------------------------------------|
| Molecular Weight  | 40 kDa                                       |
| Isotype           | IgG1                                         |
| UniProt           | <a href="#">Q9R1R0</a>                       |
| Buffer            | PBS with 0.09% azide                         |
| Target            | Lhx6.1                                       |
| Antibody Type     | Primary Antibody                             |
| Application Notes | Format: Purified by Protein A chromatography |
