| Category                   | Antikörper                                                                                                                                                                                                             |
| Application                | ICC                                                                                                                                                                                                                    |
| Species Reactivity         | Human                                                                                                                                                                                                                  |
| Immunogen                  | Fusion protein amino acids 1-213 (full-length) of human THAP1 (accession number Q9NVV9) produced recombinantly in E. Coli                                                                                              |
| Conjugation                | FL550                                                                                                                                                                                                                  |
| Product Description        | Our Anti-THAP1 mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone N325B/65. It detects human THAP1, and is purified by Protein A chromatography. It is great for use in ICC.... |
| Clonality                  | Monoclonal                                                                                                                                                                                                             |
| Concentration              | 0.5 mg/mL                                                                                                                                                                                                              |
| Clone Designation          | [N325B/65]                                                                                                                                                                                                             |

|                   |                                              |
|-------------------|----------------------------------------------|
| Molecular Weight  | 30 kDa                                       |
| Isotype           | IgG3                                         |
| UniProt           | <a href="#">Q9NVV9</a>                       |
| Buffer            | PBS with 0.09% azide                         |
| Target            | THAP1                                        |
| Antibody Type     | Primary Antibody                             |
| Application Notes | Format: Purified by Protein A chromatography |
