| Category                   | Antikörper                                                                                                                                                                                                            |
| Application                | ICC                                                                                                                                                                                                                   |
| Species Reactivity         | Human                                                                                                                                                                                                                 |
| Immunogen                  | Fusion protein amino acids 1258-1480 (cytoplasmic C-terminus) of human TrpM6 (accession number Q9BX84) produced recombinantly in E. Coli                                                                              |
| Conjugation                | FL550                                                                                                                                                                                                                 |
| Product Description        | Our Anti-TrpM6 mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone N470/22. It detects human TrpM6, and is purified by Protein A chromatography. It is great for use in ICC.... |
| Clonality                  | Monoclonal                                                                                                                                                                                                            |
| Concentration              | 0.5 mg/mL                                                                                                                                                                                                             |

|                   |                                              |
|-------------------|----------------------------------------------|
| Clone Designation | [N470/22]                                    |
| Molecular Weight  | 240 kDa                                      |
| Isotype           | IgG2a                                        |
| UniProt           | <a href="#">Q9BX84</a>                       |
| Buffer            | PBS with 0.09% azide                         |
| Target            | TrpM6                                        |
| Antibody Type     | Primary Antibody                             |
| Application Notes | Format: Purified by Protein A chromatography |
