| Application                | ICC, IHC                                                                                                                                                                                                                                    |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                                                           |
| Immunogen                  | Fusion protein amino acids 370-469 (C-terminus) of mouse Rufy3 (accession number Q9D394) produced recombinantly in E. Coli                                                                                                                  |
| Conjugation                | FL594                                                                                                                                                                                                                                       |
| Product Description        | Our Anti-Rufy3 mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone N483/126. It detects human, mouse, and rat Rufy3, and is purified by Protein A chromatography. It is great for use in IHC, ICC.... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                  |
| Concentration              | 0.5 mg/mL                                                                                                                                                                                                                                   |
| Clone Designation          | [N483/126]                                                                                                                                                                                                                                  |

|                   |                                              |
|-------------------|----------------------------------------------|
| Molecular Weight  | 55 kDa                                       |
| Isotype           | IgG1                                         |
| UniProt           | <a href="#">Q9D394</a>                       |
| Buffer            | PBS with 0.09% azide                         |
| Target            | Rufy3                                        |
| Antibody Type     | Primary Antibody                             |
| Application Notes | Format: Purified by Protein A chromatography |
