| Manufacturer               | Antibodies Incorporated                                                                                                          |
| Host                       | Mouse                                                                                                                            |
| Category                   | Antikörper                                                                                                                       |
| Application                | ELISA, FC, IHC-P, WB                                                                                                             |
| Species Reactivity         | Human, Primate                                                                                                                   |
| Immunogen                  | Purified human IgG1 myeloma protein                                                                                              |
| Conjugation                | Biotin                                                                                                                           |
| Product Description        | Biotin Anti-Human IgG Fc antibody for use in ELISA, flow cytometry, immunohistochemistry, western blot, and multiplex assays.... |
| Clonality                  | Monoclonal                                                                                                                       |
| Concentration              | 0.5 mg/mL                                                                                                                        |
| Clone Designation          | [JDC-10]                                                                                                                         |
| Molecular Weight           | 56 kDa                                                                                                                           |

|               |                                                          |
|---------------|----------------------------------------------------------|
| Isotype       | IgG1                                                     |
| Buffer        | Phosphate buffered saline containing < 0.1% sodium azide |
| Target        | Human, NHP IgG Fc                                        |
| Antibody Type | Secondary Antibody                                       |
