| Alternative Catalog Number | MCE-HY-P77693Y-20UG,MCE-HY-P77693Y-50UG,MCE-HY-P77693Y-100UG                                                                                                                                                                                                  |
| Manufacturer               | MedchemExpress                                                                                                                                                                                                                                                |
| Category                   | Proteine/Peptide                                                                                                                                                                                                                                              |
| Product Description        | 1.Immobilized Human HPN, His Tag at 2 µg/ml (100 µl/Well) on the plate. Dose response curve for Anti-HPN Antibody, hFc Tag with the EC50 of 8.1 ng/ml determined by ELISA. 2.Measured by its ability to cleave tert butoxycarbonyl-Gln-Arg-Arg-7-amino-4-m... |
| Molecular Weight           | Approximately 18-22 kDa and 30 kDa, based on Bis-Tris PAGE under reducing conditions                                                                                                                                                                          |
| Purity                     | 95                                                                                                                                                                                                                                                            |
| Formula                    | 3249(Gene_ID)P05981 (R45-L417)(Accession)                                                                                                                                                                                                                     |
| Application Notes          | MCE Product type: Recombinant Proteins                                                                                                                                                                                                                        |
